Mr. William Colby
Director of Central Intelligence
McLean, Virginia

Dear Bill:

I have asked for an appointment to see you sometime during the week of May 20th; it has been set tentatively for the afternoon of the 21st.

The purpose of the meeting is to discuss a three-volume text which I am preparing for the Defense Intelligence School. The first volume, which is completed, is The Organization For National Security. CIA is mentioned briefly: specifically, its location in the government. Volume I is unclassified. The second volume, now under preparation, is The Intelligence Community. This will devote a chapter to each of the intelligence components. It can be classified up to secret. The third volume will deal only with the armed service intelligence components. I will be seeing those agencies also during that week.

Looking forward to seeing you, and any of your staff you may wish. With best wishes.

Sincerely,

Lyman B. Kirkpatrick, Jr.
